### **Resolution 2 - Directors' Remuneration Report**

In respect of resolution 2 (Directors' Remuneration Report), we acknowledge that a significant minority of shareholders chose not to support this resolution.

This year, as with every year, the Remuneration Committee has given careful consideration to executive remuneration. Our executive remuneration arrangements are fully in line with our Directors' Remuneration Policy which was approved by a significant majority of our shareholders at our 2019 Annual General Meeting with 92.6% of votes in favour of the policy.

However, the views of all our shareholders are important to us and we will continue to listen to their views to better understand the specific concerns of those who voted against this resolution. Prior to today's Annual General Meeting, we engaged with a number of our shareholders on our executive remuneration arrangements and we will continue to actively engage shareholders on this important topic during 2020.

#### **Resolution 15 - Authority to allot shares**

We acknowledge that a number of our shareholders did not support this resolution. It remains standard market practice for many UK FTSE listed companies to retain this type of authority. As we have previously reported, the authority sought by the Company is in accordance with the UK Investment Association's share capital management guidelines and prevailing voting guidelines of leading corporate governance agencies applicable to UK listed companies.

However, we remain aware that some institutional investors, particularly outside the UK, have specific policies against supporting this type of resolution. Following the outcome of today's vote, we will continue our ongoing engagement with shareholders for which this authority presents concern and will keep best practice in this area under review.
