- (b) Includes discretionary votes.
- (c) A vote withheld is not a vote in law and is not counted in the calculation of the proportion of votes 'For' or 'Against' a resolution.
- (d) In accordance with Listing Rules 9.6.2R and 9.6.3R, copies of the resolutions numbered 17, 18 and 20 will be submitted to the National Storage Mechanism as soon as practicable and will be available for inspection at https://data.fca.org.uk/#/nsm/nationalstoragemechanism. A copy of the resolutions may also be obtained from the Notice of Meeting which is available on the Company's website at www.bat.com/agm.

All resolutions were passed at the Company's Annual General Meeting (AGM) today with the requisite majority of votes. We acknowledge that a significant number of our shareholders did not support resolutions 2: Directors' Remuneration Report and 16: Authority to Allot Shares.

Resolution 2 - Directors' Remuneration Report

Over the last year, we have engaged with shareholders about executive remuneration. The engagement has been open and constructive and the Remuneration Committee has given careful consideration to shareholder feedback, which helped to shape the Committee's decisions and resulted in changes being adopted to proposals on executive remuneration for 2021. Our executive remuneration arrangements are fully aligned with our Directors' Remuneration Policy which was approved by a significant majority of our shareholders at our 2019 AGM.

We place great value on direct engagement with and feedback from our shareholders. We will continue our active dialogue with shareholders, particularly those who decided to vote against this resolution, and intend to further consult with shareholders during 2021.

Resolution 16 - Authority to allot shares

As we have previously reported, the authority sought by the Company is in accordance with the UK Investment Association's share capital management guidelines and prevailing voting guidelines of leading corporate governance agencies applicable to UK listed companies.

Whilst it remains standard market practice for many UK FTSE listed companies to retain this type of authority, we understand that some institutional investors, particularly outside the UK, have specific policies against supporting this type of resolution. Following the outcome of today's vote, we will continue our ongoing dialogue with shareholders that do not support this authority and will keep best practice in this area under review.
